

Travel-Kap 42

Tools Backpack

The **Travel-Kap 42 backpack** is specially designed for workers and tradesmen who need a comfortable and practical solution for carrying all their work equipment. With a **capacity of 42 litres**, the Kapriol tool backpack has **adjustable straps and shoulder straps** for maximum comfort and practical **reflective inserts** for visibility.

The Travel-Kap backpack has an emergency whistle and an **easy-access pocket for a helmet or work boots**. The removable inner bag provides efficient organisation of tools and clothing, making it ideal for everyday use.
