

Grinding disc JC 180 R/F

Diamond cutting disc for ceramic and stoneware tiles

The **JC 180 R/F diamond cutting disc** in standard quality is suitable for cutting ceramic, klinker, porcelain and marble tiles. Thanks to its **reduced thickness**, the diamond blade **guarantees a clean and precise cut on all types of tiles**, even the hardest and most tenacious ones. Designed for **dry use**, this diamond tile cutting disc offers versatility and reliable performance in a variety of applications.
