

Working knee pads in Eva

Knee pads for trousers

EN 14404 work knee pads, designed for **comfort and flexibility** thanks to the ergonomic design that perfectly wraps around the knee, ensuring maximum comfort.

The use in bleaching to pants with pocket in certified fabric, makes the working knee pads a second-class PPE.

TECHNICAL SPECIFICATIONS

- to be inserted in specific pockets on the work trousers
- N 14404:2004+A1:2010
